Artist: Ben Buchanan

Title: Acre

Date(s): Project began October 1993

Physical Description: Land, 30 - 1 acre parcels, 20" x 24" black and white photo, book of information and maps for each acre

Project Description: Each photograph represents one acre of land, in a remote area east of the Chocolate Mountains in the Colorado desert of California. When a photograph is purchased, the buyer is also entitled to ownership of the land represented. A deed is given in their name with an agreement that they will not mine, develop the land or otherwise alter the content of the photo.
