Title: Monstress Activities Box Set

Date(s): 2000

Physical Description: Screenprint, Plate Lithography, Diecut

Project Description: Springing from the fields of package design and conceptual art, Monstress Activities addresses modern worries and hopes in a humorous, thought-provoking way. This box set of 5 different products combine into one distinctly joyful and fun proposal for a different perspective on life. Remember: typos are part of the piece's authenticity!
