Artist: Robbie Conal

Title: Bully Culprit

Date(s): 2016

Physical Description: Posters for wheat-pasting

Project Description: This is an off-set litho print, taken from original drawings by Robbie Conal. One side says "Bully Culprit", and the other says "Can't Even" along with one of Trump's most infamous quotes made on June 16, 2015 during Trump's Presidential announcement speech. Conal is currently travelling across the country with the posters and wheat-pasting them with the help of volunteers at each stop along the way.

From Conal's website on the topic, Guerilla Etiquette: "Be generous with the posters. Offer them to your teams as souvenirs and let them give 'em away on the streets—sometimes sympathetic merchants will put them up in their shops—like your favorite bookstore, coffee house or local watering hole—good for morale!"
